

PERMANENT MISSION OF PAKISTAN VIENNA

No. M(T)-590

The Permanent Mission of the Islamic Republic of Pakistan to the United Nations and other International Organizations in Vienna presents its compliment to the Permanent Missions of the Member States to the International Atomic Energy Agency (IAEA) and has the honor to introduce the Pakistan Institute of Engineering and Applied Sciences [PIEAS]. This institute is a premier University in Islamabad, Pakistan offering higher education in the field of nuclear science & technology and allied disciplines. The University is an IAEA Collaborating Center to support Member States on research, development and capacity building in the applications of advanced and innovative nuclear technologies since 2019 and also partnering with the IAEA for Marie Skłodowska-Curie Fellowship Programme.

Presently, PIEAS is offering fully funded scholarships to international students at all levels from Under-Graduate to Post-Doctorate in various disciplines. A complete description of the scholarships, available programmes and admission requirements are attached for your kind perusal. Any further information about the programme can be obtained from Mr. Ghiyas Ud Din, Minister Technical, Permanent Mission of Pakistan, Vienna by E-mail <G.Mintpk@Yahoo.com>.

The Permanent Mission of the Islamic Republic of Pakistan to the United Nations and other International Organizations in Vienna avails itself of this opportunity to renew to the Permanent Missions of the Member States to the International Atomic Energy Agency (IAEA) and other International Organizations, the assurances of its highest consideration.
