Just Launched: the “Internships in Japan for AI and Tech Talent” Program (by METI of Japan)

Dear all,

We hope this message finds you well.

Are you passionate about AI and technology? Interested in gaining hands-on experience in Japan?

We are excited to share a unique opportunity: the **“Internships in Japan for AI and Tech Talent”** program, organized by the Ministry of Economy, Trade and Industry (METI) of Japan, and operated by Pasona Inc.

This government-supported program offers international AI and tech students and professionals the chance to intern at Japanese companies, gaining valuable experience and building a global career.

Program Highlights:

- Fully funded internship (travel, accommodation, and insurance covered)
- Work with cutting-edge Japanese companies
- Develop cross-cultural and professional skills in a global environment
