No 1/2460

## INVITATION

Magtymguly Turkmen State University is honored to invite to participate in the IV International Chemistry Olympiad among university students and the International Scientific and Practical Conference "The Role of Innovative Technologies in Improving Methods of Teaching Chemistry" with the participation of faculty members, scholars and researchers from Turkmenistan and foreign countries.

The Olympiad (in-person participation) and the Conference (in hybrid format) will be held from October 15 to 17, 2025 in Ashgabat.

The official languages of the Olympiad and the Conference are Turkmen, English and Russian.

The Olympiad will be conducted as an individual competition in A and B categories. For each category, the number of participants from each invited higher education institution must not exceed four students (Bachelor's and Specialist degrees) and one team leader (format 4+1).

To participate in the Olympiad, please send an official letter from your higher educational institution indicating the team composition, along with a completed registration form, personal record form and a copy of the passport to: [olimptsu@gmail.com](mailto:olimptsu@gmail.com)

To participate in the Conference, please send an official letter from your higher educational institution (in case of in-person participation), along with your presentation abstract and summary, completed registration form, personal record form and a copy of the passport to: [olimptsu@gmail.com](mailto:olimptsu@gmail.com)

Registration is open until October 3, 2025.

For in-person participants visa expenses, accommodation at the comfortable dormitory of Magtymguly Turkmen State University, meals and local transportation within Ashgabat will be covered by the host institution. Travel expenses to and from Ashgabat shall be borne by the sending institution.

Additional information and announcements regarding the Olympiad and the Conference are available on the official website of Magtymguly Turkmen State University: <https://tdu.edu.tm> under the sections "Olympiad-2025" and "Conference-2025".

### Organizing Committee Contact Details:

Phone: (+99364) 05-01-24; (+99363) 69-93-64; (+99363) 60-35-05; (+99365) 56-10-61  
Email: [olimptsu@gmail.com](mailto:olimptsu@gmail.com)

We are confident that the organization of these events will contribute to expanding knowledge among students and will make a valuable contribution to expanding and strengthening international cooperation in scientific and educational activities.

With sincere regards,

Rector

O.Owezsahedov
