Embassy of the Republic of Türkiye
in the Republic of Tajikistan

Subject: Participation of Representatives in the International Skills Forum Tajikistan - 2026

The Ministry of Labor, Migration and Employment of the Population of the Republic of Tajikistan extends its high respect to you and has the honor to request your assistance in facilitating the participation of representatives of the Republic of Türkiye in a significant international event.

Within the framework of the implementation of the "Skills and Employability Enhancement Project" supported by the Government of the Republic of Tajikistan and the Asian Development Bank, modern Professional Training and Service Centers were built and commissioned in the cities of Khujand, Bokhtar, and Vose district, as well as Skills Development Centers in the cities of Dushanbe, Rogun, and Dangara district, with the personal participation of the Founder of Peace and National Unity - the Leader of the Nation, the President of the Republic of Tajikistan, His Excellency Emomali Rahmon.

It should be noted that these centers are aimed at improving professional skills and expanding employment opportunities for youth, women, and migrant workers in domestic and overseas labor markets. The project centers offer short-term training courses, professional skills certification, and professional skills development based on a new competency-based training (CBT) methodology for 20 priority occupations in the energy, construction, tourism, and agriculture sectors.

In order to showcase achievements in the field of vocational training, exchange best international practices, and strengthen regional cooperation, the Ministry has decided to hold the *International Skills Forum Tajikistan - 2026* at the Skills Development Center in the Dangara district of the Khatlon region from 28 to 29 May 2026.

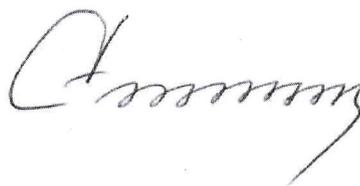

As part of the Forum, professional contests are planned among trainees and young specialists in key construction and technical specialties: "Electrician," "Plasterer," "Gas Electric Welder," and "Solar Electrical Equipment Installer." Representatives of

primary and secondary vocational education institutions from Central Asia, Southeast Asia, and Europe are invited to participate in the contest.

The Ministry would like to take this opportunity to confirm that the costs associated with the delegations' stay in Tajikistan (including transfers, accommodation, and visa support) will be covered by the host country. The costs of the delegation's international flights will be covered by the sending country.

In this regard, the Ministry of Labor, Migration, and Employment of the Republic of Tajikistan requests your assistance in ensuring the participation of official representatives of the Republic of Türkiye (one candidate and one representative of the evaluation commission for each profession) in the above-mentioned event. We also kindly ask you to confirm your participation in this event by April 10, 2026. (Org Committee email: mazariev1991@gmail.com, WhatsApp: +992985776296).

Minister

S. Kholmahmadzoda
